

DIRECTOR'S MEETING

Thursday, 12 June 1952

PRESENT: General Smith, Messrs. Wisner, Wolf, Becker, [REDACTED]

25X1

Mr. Wolf:

Noted the item in the Log respecting a request for CIA support for the Office of Telecommunications Advisor and recommended that we accede to this request. The Director concurred.

25X1

Mr. Wisner:

b) Reported that [REDACTED] would "stay in touch with the situation" and would remain available for service with the NCFE including membership on the Board of NCFE if that should prove desirable. He had indicated to Mr. Wisner that the nature of his new position would be such as to permit him to devote one or two weeks at a time to this work.

c) Raised the question of the [REDACTED] cable which put us on the alert for possible developments at the end of June and early in July. Mr. Becker observed that his people saw nothing new or particularly unusual in the cable and certainly no indication of a positive intent to step off on an offensive. In reply to the Director's inquiry as to whether this had been distributed to the other agencies, Mr. Becker indicated that it had not both because [REDACTED] character of the information contained in it and because most facts which were included were otherwise known to the other agencies. The Director asked that it be brought before today's IAC meeting.

d) Noted in connection with the Log item on the Chinese guerrilla group operation in the Canton area [REDACTED]
